

DCI Programs Overview

Sun Child Sponsorship Program

Safeguards against child labor by providing education, health care, and family and community support, including income generating activities.

Blindness Prevention Program

Emphasizes preventative measures and education along with vision screening and eye surgery camps.

Health for Underprivileged Program

Provides curative and preventive health care for residents of slum areas.

Orphan Support Program

Provides basic necessities as well as education, healthcare, and training services to orphans.

Youth Leadership Program

Prepares American youth to be compassionate leaders of tomorrow and help build a better world for children.

Child Rights Awareness Campaign

Raises awareness of the state of underprivileged children and helps find creative solutions.
